

## Measures for restaurants, bars and food or drink establishments:

### Prevent (Green)

- Patrons must be seated; 2m minimum between tables
- Dancing, singing and performing music is permitted, with restrictions
- Karaoke permitted, with restrictions (including no private rooms)
- Patron contact info is required (one per group)
- No buffet style service
- Night clubs are permitted only to operate as restaurant or bar
- Line-ups/patrons congregating outside venues must be managed by venue; 2m distance between patrons and face covering required
- Face coverings required, except when eating or drinking only
- Eye protection where patrons without face coverings are within two metres of workers\*

*\*This new requirement applies to servers in table-service environment. Forms of eye protection include face shields, safety glasses, safety goggles, masks with an integrated visor or prescription safety eye glasses. Prescription eye glasses are not acceptable by themselves as eye protection but may be worn underneath shields, or masks with an integrated visor and may be worn under some types of protective eyewear. More information can be found [here](#).*

### Protect (Yellow)

#### Measures from previous levels and:

- Establishments must close at midnight
